An Atheist's View on Life

I will live my life according to these beliefs
God does not exist

It is just foolish to think

That there is a God with a cosmic plan

That an all-powerful God brings redemption and healing to the pain and suffering in the world
Is a comforting thought, however

It

Is only wishful thinking

People can do as they please without eternal consequences

The idea that

I am deserving of Hell

Because of sin

Is a lie meant to make me a slave to those in power

"The more you have, the happier you will be"

Our existence has no grand meaning or purpose

In a world with no God

There is freedom to be who I want to be

But with God

Everything is fine

It is ridiculous to think

I am lost and in need of saving

It's not the presents that make Christmas so special, it's the presence of those you love, whether they are with us in person, or spirit.
