These Special Gifts...

*She could not give her children gold,
So she gave them faith to have and hold.
She could not give them royal birth ...
A name renowned throughout the earth,
But she gave them seeds and a garden spot
And shade trees when the sun was hot.*

*She could not give a silver spoon
Or servants waiting night and noon.
She gave them love and a listening ear
And told them God was always near.*

*She could not give them ocean trips
Aboard majestic sailing ships,
But she gave them books and a quiet time,
Adventures found in prose and rhyme.*

*She could not give them worldly things
But what she gave was fit for kings,
For with her faith and books and sod
She made each child aware of God.*

— Alice Leedy Mason
