MUSINGS OF A COUNTRY PREACHER

Attendance at worship last Sunday was a mite poorly. I don't reckon I ought to grumble because this congregation had a bunch of sick members, and when you add to that all of our shut-ins, we don't have too many to fill the pews. But, last Sunday I went ahead and preached to the few who were present. Only thing was the echo in the near empty building hurt my ears.

My wife and I needed to get out, ride a while, let the fresh air clear my head. It made me feel good inside; in fact, riding around I saw miracle after miracle!

Old brother Hezekiah who had been deathly sick that morning was roused up and riding down the highway with his fishing poles. Nothing but a miracle could have rescued Hezekiah from the jaws of death in such a short time. Now there's Rufe's brother. Rufe told me Sunday morning that his brother's back was in such awful shape they were afraid that an operation was gonna be necessary. Well, we remembered him in prayer, and lo and behold at two o'clock there he was at the driving range hitting golf balls. If that wasn't a quick recovery, then I don't know what is. All told, about 20 of our members has roused up and were taking nourishment in some form or other. But what made me really happy was to see some of our shut-ins riding around and enjoying the world. Hezekiah's Pa, who don't attend worship "cause he can't stand crowds," was headed for the baseball game. Sister Nell's mama, who can't attend worship on account of her kidney's, stood in line for two hours to get into the picture show. Yes sir, it thrilled my heart to see these miracles!

We ought to have a packed house next Sunday, with all our sick members being healed, and our shut-ins set free. I just hope that they don't overdo themselves and have a relapse before next Sunday.

I gotta go now and play with my smallest young'un. He is gonna be a farmer, and I'm gonna be the goat. Tin cans will be easy to eat after what I have just swallowed!
