It was good to have Richard and Mary Harp with us last Sunday Morning. They arrived safely in Scotland and have settled down in their new home. Thanks to Don McKee for preaching a fine lesson on Sunday Evening. Susan and I had the privilege to celebrate Father's Day with Jenny and her family for the first time in seven years since she married Derek Thompson. It was good to worship with the family at the Jax Beach Congregation as well. Dash actually got to come back for a visit for a week or so with Granddaddy and Grammie.

Summer Series continues and I hope you will avail yourself and enjoy the fine lessons that these Gospel preacher's are bringing. Phillip Satterfield will be here this Wednesday Evening. I will preaching for the Chatsworth Congregation Wednesday Night and please don't forget to pray for the Jamaica campaign workers. We will be leaving this Friday for Jamaica and will return on July 12th.

What would you consider your greatest discovery? I hope you enjoy the following illustration: In 1847, Sir James Simpson of Edinburgh discovered the use of chloroform as an anesthetic in surgery. Some have claimed that this was the most significant discovery of modern medicine. In his later years, Sir James was lecturing at Edinburgh University and a student asked, "What do you consider to be the most valuable discovery of your lifetime?" Sir James answered quickly, "**My most valuable discovery was when I discovered myself a sinner and that Jesus Christ was my Savior.**"

That discovery is very similar to the words of John Newton, author of the timeless song, "Amazing Grace." At age 82, near death, almost blind, and with fading memory, he spoke these words: "My memory is nearly gone, but I remember two things: **I'm a great SINNER and Christ is a great SAVIOR.**"

The book of Romans makes clear these two significant truths that Simpson and Newton articulated. The **PROBLEM** is SIN. "As it is written, there is none righteous, not even one" (Romans 3:10). "For all have sinned and fall short of the glory of God" (Romans 3:23). And the **PENALTY** for sin is DEATH (Romans 6:23).

But in Romans 1:16, the apostle Paul declares that the **POWER** of God unto salvation is the "Gospel" of Jesus Christ. **Let's look at this "GOOD NEWS"...** In Christ we have the divine **PROVISION**. "But God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us" (Romans 5:8). The **PRICE** that was paid? Look at Romans 5:9: "Much more then, having now been justified by His blood, we shall be saved from the wrath of God through Him."

Now what's the **PROCESS** by which we contact that blood? By placing our faith and trust in Jesus (Romans 5:1), confessing Christ (Romans 10:9-10), turning from our sins in repentance (Romans 2:4), and being buried with Christ in baptism (Romans 6:1-4). Then, we are to dedicate the rest of our lives in service to Him (Romans 6:12-18; 12:1). *

The most valuable discovery that YOU can make is that you, too, are a great sinner (as ALL are!) and that Christ desires to be YOUR Savior. He will save you -IF- you will trust and obey Him.
