I hope everyone is thankful for the rain we received this last week, as well as the few days of cooler temperatures. The leaves beginning to change and the slightly cooler nights are both reminders the first day of Autumn is almost upon us. I don't know about everyone else, but Fall seems to always bring with it hustle and bustle. Sight seeing, apple picking, football, Fall Festivals, and leaf looking are among just a few of the many activities Autumn brings with it.

The Elders sent letters out last week encouraging all of us to come be a part of the classes, worship services and activities here at the Ellijay church. Although we may not be able to participate in everything going on, I hope we will always try to be involved and take part in as much as we can. I hope everyone enjoyed the Gospel Meeting and Youth Rally that started this past Friday evening and concludes this morning. We've heard some wonderful lessons from some very talented young preachers. Please keep these students in your prayers as they return to their school studies. The following is an interesting illustration I thought you might enjoy reading.

Early one summer morning in 2003 in Nova Scotia, three teenagers decided to steal a boat and take it for a joyride. They stole a pontoon boat from a Pleasantville wharf, drank the liquor they found on board, and ended up down the river. The three next broke into a camp on one of the LaHave Islands, where they took blankets, pillows and stereo equipment.

Beaching the \$20,000 boat on another shore and thinking they were on the main island, the teens decided to burn the evidence. One held the boat, while another poured a can of gasoline over it, and the third lit the fire.

They burned the boat, not realizing they were on an island!

When someone in the vicinity saw a burning boat, they contacted the authorities. A search and rescue helicopter plucked one of the 17-year-olds from Cape LaHave Island. He later told police the story and said the others had hidden when the helicopter arrived. Officers returned to the island by helicopter and arrested the others that afternoon. All three teens faced charges of theft and damage to property.

That's the way it works with SIN...

One seeks some forbidden pleasure thinking he can hide the evidence when he is through, only to discover that there is NO place to hide! As it is written: "Be sure your sin will find you out" (Numbers 32:23). Because of sin, WE are left "stranded," destined for destruction, and in desperate need of rescue.

The Bible describes the process with these words:

"Each one is tempted when he is drawn away by his own desires and enticed. Then, when desire has conceived, it gives birth to sin; and sin, when it is full-grown, brings forth death."
— James 1:14-15

The GOOD NEWS is that Someone has come to our rescue! God sent Jesus into the world to teach us how foolish and destructive sin really is. Then Jesus, the sinless Son of God, died on the cross to pay the price for our redemption.
