Dear Church Family:

In the 2019 spiritual growth plan, our focus was “Walking in the Steps of Jesus” taken from the text of 1 Peter 2:21. The goal of that plan was to pattern our lives after Christ so we could collectively follow the example of our Savior.

In the 2020 plan, we want to continue to follow Jesus’ example and grow together to love one another more as the body of Christ. The theme verse that has been chosen for 2020 is Romans 12:10, and its message is clear and concise, **“Be devoted to one another in love. Honor one another above yourselves.”** As we work together as members of the church and strive to reach out to the community around us, our focus must be love.

The Bible is full of passages that challenge us to be there for each other as we live together, united by the blood of Jesus. Our prayer for 2020 and beyond is not only that we love one another, but that we put the needs of others ahead of our own needs and follow the biblical example of Christianity! We love you, and look forward to a great year together!

In Christian Love,

Tim Hall      Barry Kingsley      Curtis Kingsley

John Painter      Mark Pettit

## **Lads to Leaders**

(Brandon Jones, Daniel Sisson, Tim Hall)

Lads to Leaders is the oldest and largest leadership training program used by the churches of Christ. Beginning in 1968, the program has set out to create Christian leadership in the youth of the congregations of the Lord's church. The program currently has over 20,000 participants nationwide, developing skills which will allow them to step forward and become the future leadership of the church. In addition, those congregations who utilize Lads to Leaders see a retention rate of 85% or higher in their youth after graduation, compared to the usual 50% or less of those congregations who do not use resources such as these. These are merely a few reasons as to why Lads to Leaders is an essential part of the development of the youth of the congregation.

- Develop young people's abilities
- Prepare youth for service in the Kingdom of God
- Offer a variety of Bible-based materials for all ages
- Youth can choose from around 40 events/projects which provides for a wide range of interests
