The Mississippi River is only a few feet wide at the place where it begins. But only thirty miles further downstream, it swells to a width of fifty feet. Numerous streams flow in the Mississippi along its entire length until it becomes the largest river in North America. The mighty Mississippi would not exist without the contribution of these smaller streams. This says a great deal about what it takes to make a great church. A few people can't do it in their own strength. It takes all of us working together, using our gifts and talents in the kingdom cause, to keep our church healthy and strong.

Let Us Rise Up and Build

Don't judge someone else because they sin differently than you do.

Welcome to our Visitors! Please complete the visitors card and pass it to the end of the aisle. It will be collected after announcements so we will have a record of your visit.

CUT TO THE CHASE.....

June 11 will be the date of the next prayer meeting. Remember to come be a part of this event together as we try to grow closer as a youth group. The meeting will be from 7 P.M. to 8:30 P.M. Location, TBA.

June 14-19 will be the dates for the first week of camp Wetoga. If you have not already turned in your camp application, please do so ASAP, as this week will be extremely full, and it would be a shame for you to have to sleep outside of the cabins with the bears.

June 19 will be Faulkner University's Church of Christ day at Six Flags. Tickets will be \$45 per person, which includes food and admission to the park. Please sign up by June 10 so that we will know how many tickets to buy ahead of time. Price of admission will be raised on the day of the event so please sign up early on the bulletin board.

June 26 is scheduled tentatively as the date for our lock-in here at the church building. We need chaperones as well as some who are willing to provide food and snacks for the event. Feel free to bring games as well to play. Also coffee for the adults. Lots and lots of coffee.

July 11-16 will be the dates for camp Inspire at Faulkner University. Signup will begin on Monday, June 1, so more information on this event will come later.

In the beginning, the bible tells us that God formed everything, and we can see that everything had a purpose for being on the earth. God's original creation was paradise on Earth. As well as making the earth and everything on it, God also made man and woman, Adam and Eve. We call this the first marriage. This is the foundation for families that God set up in the beginning of the world. Today, God's model for families is under attack as more and more this world turns away from God to follow their own desires. So, the question for this week is...

What is the role of the Christian family?

Throughout the bible, we can see examples of how families are meant to function. Discuss together with yourselves this week the roles of a Christian family. What does the bible have to say about fathers? What does it have to say about mothers? What about husbands and wives? What does the bible have to say about our role as children? And how do these things apply to our family? This is an exercise to grow closer together while growing in knowledge and understanding of God's word. Note: These are discussion questions. They are meant to create deep thought and consideration in order to strengthen us spiritually. As such, answers such as the Bible says so, Jesus says so, or God says so are not enough. Prove that God and Jesus said so through scripture. Use passages of the Bible to strengthen your discussion. Grow closer together and more importantly, grow closer to God together.
