Dear Brethren,

Summer is now over and students are back in school. May we all take every opportunity we have to assemble together to worship, study and fellowship as we meet at the Ellijay congregation of the Lord's church. Every member of the body has a place in the work of the church. The Lord has blessed us and may He continue to bless us as we all labor and worship together. We look forward to seeing each and every member at all of the scheduled meeting times of the Ellijay congregation.

In keeping with Working to Grow the Lord's Church at the Ellijay congregation, if you have suggestions for improving the different program of work and ministry areas, please give your suggestions to the Elders. It is our prayer that we all work together to build up the Lord's church. May we continue to reach out to others with God's work and continue to be an influence for good in the Ellijay community.
