Kathleen Sisson spent several days in Emory Hospital after chest pains started last Sunday. Tests showed she suffered a heart attack. She had a stint put in for a 90% blockage.

Butch Jones is recovering well from his kidney removal surgery. A hernia repair was also done during the surgery. Both procedures went well. He is in a good bit of pain, due in most part to the hernia repair.

Breann Pritchett's results from tests done at Emory showed no problems. She will be going to the Chicago Headache Clinic as soon as possible.

Debbie Ritchie, Neil's mom, is being treated for acute leukemia. She started therapy this past Friday.

Jimmie Daves, Butch's aunt, is recovering at home now from heart surgery.

Hilda Turley is improving and doctor's have set a date of December 6th for surgery.

This coming Sunday, November 21st, is the Thanksgiving Appeal day for Georgia AGAPE. Every family is encouraged to come prepared to participate in the special collection to support the work of this ministry to provide homes for children and to strengthen families. AGAPE depends upon us for a great response. This will be another challenging year given the stressful economic conditions we are facing. Please come prepared to give generously in the Thanksgiving Appeal and help AGAPE reach its goal of raising over \$320,000! If you will not be present this coming Sunday, you are encouraged to still participate by giving your contribution to one of the elders, the church office or be mailing it directly to AGAPE.
