We are so glad that you are here with us today. Our service will be to praise and worship God and to encourage and uplift us to face another week in this world. We will sing, pray, and meet around the Lord's Table to remember what our Savior did for us so long ago. We will also give of the many blessings that God has given us to do the work He has commissioned us to do. We will study from His Word a lesson that will hopefully be applicable to your daily life. If you are a visitor, please fill out a visitor's card so that we have a record of your visit, and give us an opportunity to meet and greet you after services. Thank you for being here and let us worship God together!
